CAMP DIRECTORS

The Camp will be under the Direction of legendary West Ham United Academy Director Tony Carr and Assistant Academy Director, Paul Heffer.

Tony Carr is the current Director of Youth Development at West Ham United International Academy and is recognized as one of the most influential figures in English football. A former graduate of the academy himself, whose football career was cut short by injury, he joined the club's staff as a youth coach in 1973. Since then in his tenure as director, as of 2010, Carr is credited with producing talent which has earned an estimated excess of \$100 million in transfer fees for the club, while the 23 man England squad for the 2010 FIFA World Cup contained no less than seven players trained by Carr – Rio Ferdinand, Frank Lampard, Joe Cole, Michael Carrick, Jermain Defoe, Glen Johnson and John Terry. In 2010 Tony was rewarded for his services to football by Her Majesty the Queen by being awarded the MBE (Member of the British Empire)

Paul Heffer has assisted Tony Carr at the Academy for over 15 years, his association with West Ham goes back even further, having played for the club at first team level, making his league debut alongside England World Cup winning captain Bobby Moore, in March 1967. Paul went onto make a further 16 appearances for the club before his career was cut short by injury.
